

HIGH-DESIGN STORAGE

Storage that **belongs** in the room.

Where joinery meets joy.

Designed for the spaces where precision matters:
workplace, wellness, hospitality, and beyond.

FLAGSHIP PRODUCT

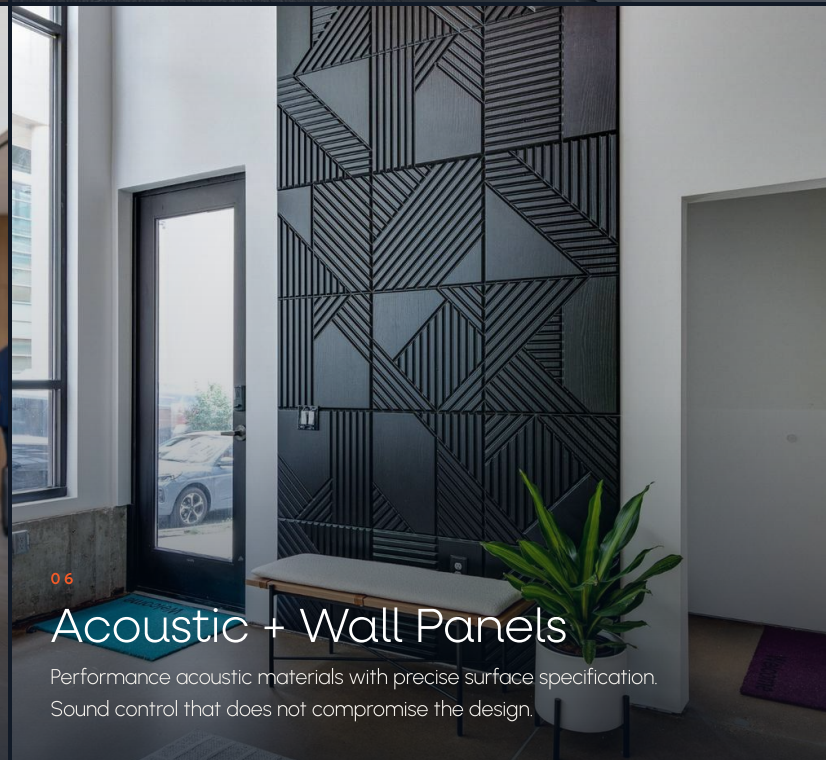

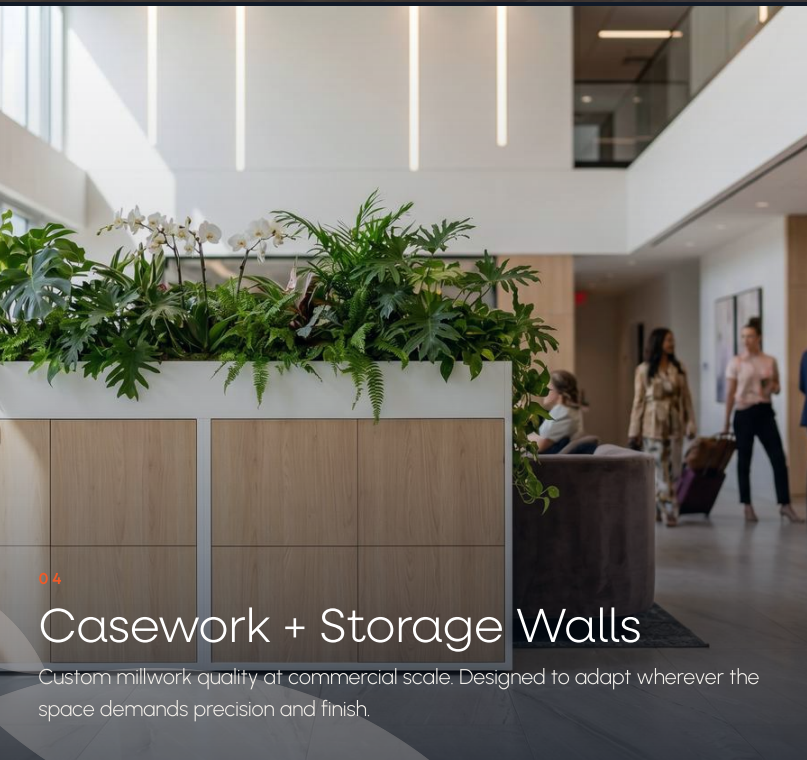

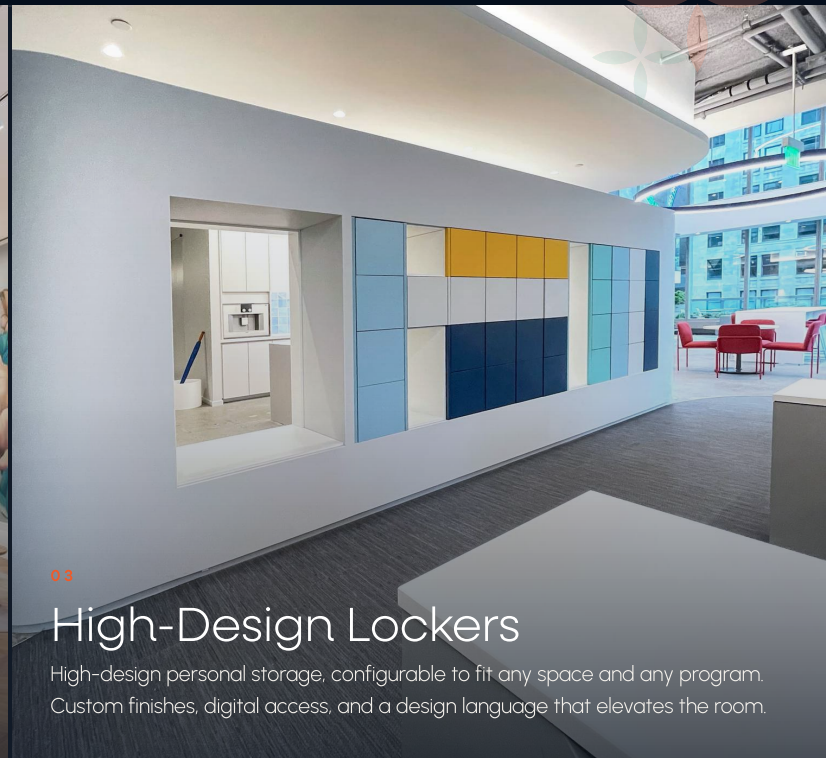

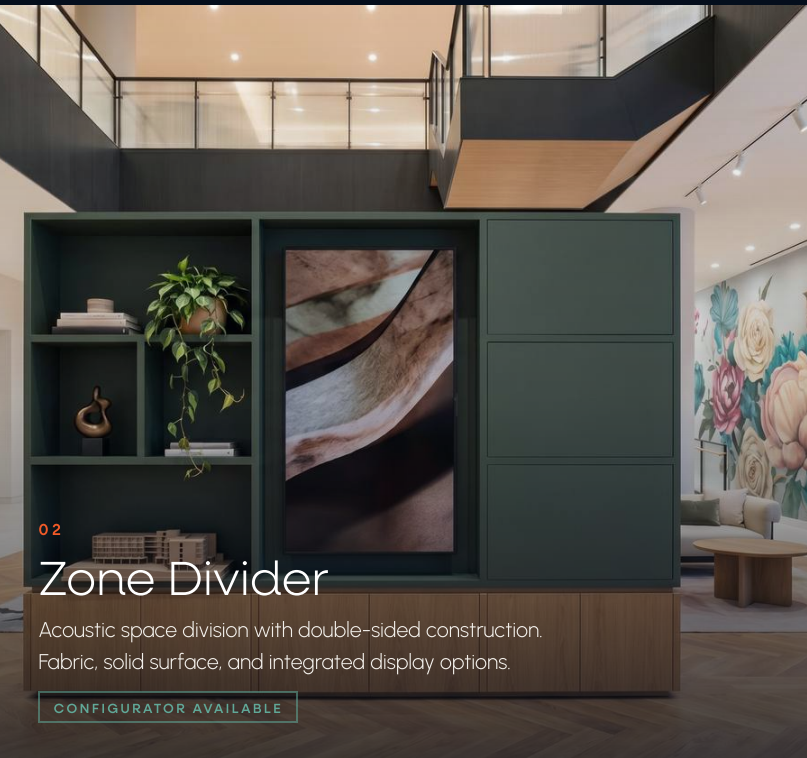

THE JOYNN'D COLLECTION

Zone Divider.

A freestanding architectural element that defines space without walls. The Zone Divider brings acoustic performance and high-design finish to open environments — configurable in width, finish, and function.

- Single and double-sided configurations
- Integrated acoustic back panel in curated colors
- Base options: plinth, cabinet, or locker
- Available in 4 to 8 module widths

Configure at
joynnd.com/zone-divider-configurator

05

Collaboration Islands

Integrated work surfaces with built-in storage. Hub-and-spoke furniture that anchors the open plan.

07

Pantries + Kitchenettes

Custom millwork amenity spaces. From touchdown bars to full kitchenettes, designed to the last detail.

08

Mail Sorters + Storage

High-design mailroom systems with custom finish. Built for the environments where every detail gets noticed.

What if storage
was the **best thing**
in the room?

—

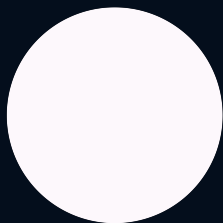

Joy.

MATERIALS

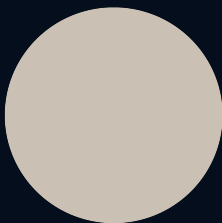

Finish to the last detail.

Every Joynn'd product specifies to the same finish library — so your Zone Divider and your Arraya can share a single material palette.

THE JOY COLLECTION

Color is the product.

A curated color program, selected by Joynn'd. Not a finish menu. A palette with intention. Each color chosen for how it holds a room, how it pairs, and what it does to the space it lives in.

10 STATEMENT COLORS

WORK WITH JOYNN

From concept to specification.

01

Browse the range.

Explore the full Joynn'd collection — from Arraya Lockers and Zone Dividers to casework, acoustic panels, and amenity spaces. Every product specified to the same standard of precision.

02

Configure to spec.

Use the live online configurator to build your specification. Choose finish, configuration, and dimensions. A real-time 3D preview updates as you design. No rep required.

03

Download your sheet.

Export a print-ready specification sheet for client presentations, contractor bids, or procurement packages. Every dimension, every finish, every detail — in one document.

specify.

Where joinery meets
joy.

In every space.
